

POTEN HORSE GOLD

Equine Supplement

INDICATIONS FOR USE:

POTEN HORSE GOLD is a mineral, vitamin and amino acid supplement, intended for horses of all ages and in all their breeding stages.

HOW TO USE:

Horses Maintenance: give 10 grams of **POTEN HORSE GOLD** per animal/day.

High Performance Horses: give 20 grams of **POTEN HORSE GOLD** per animal/day.

BENEFITS:

- Improves food conversion, resulting in greater weight gain, in addition to favoring the colonization of beneficial bacteria
- Helps in the development and strengthening of the locomotor system, bone structure, muscles, tendons, joints and hooves
- Greater energy, strength and muscle bursting for high performance animals
- Helps with the maintenance of skin and hair, making them brighter and healthier
- Helps with the immune system
- Helps with the reproductive system
